Introduction	1
Pacific Islanders – Who We Are	3
PDTRC Objectives and Five-Year Overview	7
Lessons Learned	13-31
Section 1: Cultural Awareness	13
▪ Programs should be culturally relevant	
▪ The training should be flexible	
▪ Face-to-face meetings are important	
Section 2: Working in Pacific Communities	17
▪ Listen to the community	
▪ The community should be involved	
▪ Obtain permission from leaders	
▪ Involvement and participation from the community	
▪ Partner with pre-existing community groups and networks	
Section 3: Training and Technical Assistance	23
▪ Preparation phase is critical	
▪ Incorporation of local concepts and language	
▪ Go directly to the community to provide the training	
▪ Identify local community “champions”	
▪ Identify a community “host agency”	
▪ Provide technical assistance (TA) and resources at all phases	
Section 4: Building Capacity in the Pacific	29
▪ Invest in the community for long term sustainability	
▪ Use the “learn-by-doing” approach
